## “Funneling Ideas into Action” Facilitation Certificate

EKU Workforce Education and the Facilitation Center have partnered to offer a “Funneling Ideas into Action” Facilitation Certificate. Upon completion of the three courses, a certificate is granted along with 6.0 CEU’s.

This Certificate program is targeted for facilitators, meeting managers, supervisors, and those wanting to develop facilitation skills to “Funnel Ideas into Action”!

The classes build upon each other & therefore must be taken in the order listed.

## Offered in conjunction with the ECU Facilitation Center

Course # 1 Tuition \$399

### Meeting Management & Facilitation Skills

This session will strengthen the skills of leaders, participants and facilitators in preparing for and facilitating effective meetings and projects. This workshop session also provides participants with an effective step-by-step process to help clarify discussions and achieve consensus within a group.

► Call for dates

Course # 2 Tuition \$899

### Advanced Facilitation Methods

This session will enable participants to co-facilitate with an experienced trainer/facilitator to gain hours toward their certificate in facilitation. Participants will learn and practice more advanced tools and techniques for generating ideas, narrowing the focus, evaluating, and helping groups come to consensus. This session will also provide participants with the tools necessary to help funnel the group’s ideas into action!

► By Special Arrangement  
Limited Enrollment

Course # 3 Tuition \$599

### Practicum in Facilitation

This independent practicum will enable participants to complete a project with a client. Participants will work with a client from the beginning of the meeting design process through the actual facilitation, and follow-up report writing. An evaluation will be provided to participants by the client and experienced trainer/facilitator.

► By Special Arrangement

Participants will develop specific skills to “funnel ideas into action” within their agency or company.
